PROJECTS

E-summit events page prototype
May 2024 - May 2024

https://events-page-neon.vercel.app/

I helped in creating the Esummit IITR website. I worked
with a team
to design and build the site, making sure it looked good
and worked
well on computers and phones. My job was to add
features and make sure everything ran smoothly. It was
great to see the website go live and help make the
Esummit event a success.

SAC Website IIT Roorkee

May 2024 - Present

I'm currently part of the team working on the SAC website project. My
role involves improving the website to make it more user-friendly and
informative. I collaborate with my team to add new features and
ensure that everything looks good and works smoothly. It's exciting to
be a part of this project and contribute to creating a better online
experience for our users
